Precious Metals Mining Investment Seminar

The CPM Precious Metals Mining Investment Seminar will showcase mining companies that CPM has selected to present to institutional investor clients. CPM has selected companies it finds attractive to investors.

Where: Westin Times Square, 270 West 43rd St., New York, NY

When: 9 May, 2011 8:00 a.m. - 6:00 p.m.

Why: To connect institutional investors and High Net Worth Individuals (HNWI) with suitable companies, projects, and management teams.

Participation: Attendance is free to institutional & HNWI investors, and the press. A \$300 registration fee will be charged to sell-side and other attendees. Kitco will broadcast the seminar to investors globally.

Live webcast and interactive Q&A participation is free to investors and analysts
